Attention: Ms. Ann Colgrove

Dear Ms. Colgrove:

STAT We have received your note forwarding correspondence from your constituent, [redacted] concerning recent news stories on Agency sponsored drug-behavior modification programs. In light of these revelations, the Agency has received a considerable volume of inquiries. Our Director, Admiral Turner, gave testimony before the Senate Select Committee on Intelligence and the Senate Human Resources Subcommittee on Health and Scientific Research on these programs and those Committees are continuing their inquiries into the matter. I am sure they will prepare a report of their findings when their inquiries are completed.

We appreciate your personal interest in this matter.

Sincerely,

[redacted]

George L. Cary
